

Words of Messenger *Elijah Muhammad*

Reprinted from Our Saviour Has Arrived, Acknowledgment

**“The Supreme Wisdom that I teach is
what Allah has taught me..**

**...No man on earth can teach you what I am teaching
you. I am charged with the delivery of the message...**

...If I have 40 million helpers, they are helping but

**They are NOT
responsible for
The message.**

**I AM THE ONLY ONE
God will hold responsible for you not getting the Truth.”**
